Policy: Attendance and Punctuality Policy

Reviewed: June 2024

Future Review: July 2025

At St. John's School we recognise that regular attendance and punctuality are central to raising standards and pupil attainment. To make the most of the learning opportunities provided within school, children need to have the continuity of provision which consistent attendance and good punctuality allows.

School Vision

We believe that all children have the right to the very best education, we want all our children to grow and flourish in a nurturing community, supported by God's love and the core values of His Kingdom. Our aim is to provide this by ensuring that our core values of forgiveness, respect, endurance, compassion, justice and confidence underpin everything we do. In our role as a church school, we want to ensure that everyone is well supported to flourish and develop their gifts within the love of God.

'Shine like stars' so that every child can achieve this, we want to work very closely with all families to ensure that they are well supported and fully understand the importance of excellent attendance and punctuality in their child's education and overall development.

Parents' and Carers' Responsibility

If a child of compulsory school age fails to attend regularly at a school at which they are registered, the parents may be guilty of an offence and can be prosecuted by the local authority. Education Act 1996

Regular and punctual attendance helps to ensure our children are happy in school and achieving their full potential. Routine habits of work, formed when young, lay good foundations for future education and for the adult world of responsibilities and employment.

Any absence affects the pattern of a child's schooling and frequent absence will seriously affect their learning. Any pupil's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class too.

Parents and carers are responsible for:

- Bringing their children to school every day and on time, 8.45am gates open
 - Parents/carers should call the school before 8.45am on the day their child is absent.
 - If the school has not been notified of a reason for absence, attempts to contact the parent/carer/other given telephone numbers will be made.
- Parents must provide the school with 2 telephone numbers of people to contact with regards to a child on roll.**
- The collection of their children at the end of the school day.
 - Impressing upon their children the importance of attending school regularly and the need to observe the school's code of conduct regarding behaviour, code of dress, homework etc.
 - Working in partnership with the school to resolve issues which may lead to poor attendance.
 - Ensuring they are aware of the attendance and punctuality policy of the school.
 - Notifying the school regarding absence on the first day of absence. The explanation of this absence should be confirmed in writing when the child returns to school.
 - Providing medical evidence when required.

- Arranging dental and medical appointments outside school hours.
- Ensuring that holidays are not taken during term time.
- Make applications for exceptional leave in writing, giving the reason for the request.

- Being sensitive to the needs of the individual pupil and parent.
- Responding promptly to issues which may lead to non-attendance.

The Headteacher is responsible for:

- Overall implementation of the Attendance and Punctuality Policy.

- Informing the Governing Body of attendance data and how the school is addressing issues.

Attendance Registers

- Under The Education (Pupil Registration) (England) Regulations 2006 we are required to keep an attendance register on which, at the beginning of each morning and once during the afternoon session pupils are marked present or absent.
- Attendance registers are legal documents which may be required as evidence in court cases.
- Registers must record whether each pupil is present, absent or engaged in an approved educational activity. In the case of a pupil of compulsory school age who is absent the register must also indicate whether the absence has been authorised by the school.
- When calling the register, the appropriate mark and/symbol should be selected against each pupil's name. In completing registers, staff need to select the appropriate radio button; present/absent/late or early years.
- A pupil's name may not be deleted from the attendance register unless it has also been deleted from the admissions register.

First Day Calling

- Parents/carers should call the school before 8.45am on the day their child is absent.
- If the school has not been notified of a reason for absence, attempts to contact the parent/carer/other given telephone numbers will be made as soon as the register is completed.

Parents must provide the school with 2 telephone numbers of people to contact with regards to a child on roll.

Grounds for deleting a pupil from the school admission register:

- If a child goes missing from education do **First Day of Calling** as above. Then refer to the EWO and they will investigate. EWO will let the school know when to take the child off roll but usually 20 days.
- Notification has been given that the child is receiving education otherwise than at school.

- If the child has been registered at another school.

Punctuality

Parents and carers must ensure that their children arrive at school on time and are collected promptly at the end of the school day. Good timekeeping is a vital life skill which will help our children as they progress through their school life and into the wider world.

- Afternoon Nursery sessions start at 12.15pm and finishes at 3 pm.
- All children go straight into their classrooms and make a prompt start to their learning.
- Registers must be completed by 8.45 am, children arriving after this time are late.
- Children will be marked late if they arrive at school after the registers have been taken but before 8.45am. Time of arrival is recorded in the register.
- Registers close at 9.00am.
- A parent/carer needs to give the reason for any absence/lateness; a child's word cannot be accepted.
- Parents and carers with problems getting their children to school on time can contact the Head teacher.
- If staff have any concerns at all about attendance including lateness, they will alert the Head teacher.

Promoting Regular Attendance

It is vital to remember that the vast majority of children at St. John's School arrive on time and every day. An important part of our attendance and punctuality policy is that this good practice is commended and applauded publicly.

In order to do this:

- Each week the class with the highest attendance score (if over 96%) will be allowed to come to school on Monday in non-school uniform and are presented with the Attendance Cup in Celebration Assembly.
- Attendance and punctuality figures are published in the school newsletter and read out in Celebration Assembly.
- Children are awarded individually for 100% attendance for the whole year.
- Letters of concern are sent to parents/carers when attendance drops below 90%.
- EWO will be involved if attendance continues to be a concern.

School Procedures in Cases of Intervention

A formal procedure is applied when an absence remains unexplained and/or absences are frequent:

- If a child is off for more than 3 days for medical reasons – medical evidence must be provided on the 4th day.
- Discussion with the parent/carer and reminder about the importance of regular attendance and punctuality.
- If attendance remains erratic, letters are sent from school regarding the child's attendance.
- Parents and carers are invited to the school for the opportunity to meet with the Inclusion Manager to discuss the pattern of attendance.
- Letters of concern are sent to parents and carers when attendance drops below 90%, following which the Inclusion Manager will meet with child's parents/carers.
- The Inclusion Manager will identify barriers to regular school attendance by working with parents and carers and offer the necessary support to try and improve attendance.
- The school tries very hard to support parents before the Local Authority Educational Welfare Service needs to become involved.
- Further formal approaches might then be made according to the Local Authority's Attendance Policy.
- Pupils who have an attendance figure of below 90% will require medical evidence for absences and parents will be informed of this.

Following Up Attendance Issues – Procedures

EWS Meeting

The Attendance Officer/ Inclusion Manager meets regularly with the Educational Welfare Service to discuss any concerns and follow up the progress of individuals. Prior to the meeting the following information is collected:

- Attendance record for any child with less than 93% attendance
- Attendance record for any child whose absence shows particular trends
- Attendance record for any child who has been frequently arriving at school late
- Class percentage totals

Information is shared about previous cases and decisions taken about the next stages of intervention where this is appropriate.

Following the meeting with the EWS, class teachers are notified of the outcome and agreed actions are discussed with the Headteacher and followed up as appropriate.

Penalty Notices

The Headteacher will report to the Governing Body in the 'Headteacher's Report' the attendance percentage for the school and on any specific trends and/or difficulties with individuals.

As from September 2015, the Governing Body agreed to the use of Penalty Notices to improve school attendance.

The Anti-Social Behaviour Act 2003 gives schools the power to issue Penalty Notices in cases of non-school attendance. This is an alternative to prosecution. Prior to a Penalty Notice being issued, a formal warning letter will be sent to parents/carers advising that there will be a 15 day monitoring period for attendance to improve and for them to contact the Headteacher to discuss the school's concerns.

Currently the Penalty Notice is:

- **As of September 2024, the first penalty notice issued will be charged at £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days.**
- If the fine is not paid parents/carers may be prosecuted under the Education Act 1996 for the original offence of failing to ensure their child attends school.

A warning that a Penalty Notice may be issued will be sent to both parents or carers (where applicable) for any of the following reasons:

- Their child has an amount of unauthorised absence.
- Their child is taken on holiday during term-time.
- Truancy.
- Persistent lateness after registers have closed at 9.15am.

Only the Headteacher can authorise any absence. Evidence of the reason for absence may be requested.

Authorised and Unauthorised Absence

Applications of leave for special circumstances must be made to the Headteacher in advance. Depending on the reason for the request, the Headteacher will consider to authorise or unauthorise the absence. Evidence may be requested. The Headteacher will determine the number of school days a child can be away from school if the leave is granted. Each request will be considered individually. Holidays during term time cannot be authorised.

Unauthorised absences are an offence.

Religious Observance

Parents/Carers must ask the Headteacher in advance for time off for religious reasons. The Government publish a list of dates that can be authorised and the school will refer to this when considering the request.
