

## Ruby class RE Curriculum

Ruby Class begins a wonderful journey of discovery through the Religious Education curriculum, guided by the London Diocesan Board for Schools (LDBS) framework. Rooted in our school's values of **love, respect, and curiosity**, this curriculum encourages children to explore key questions about faith, belonging, and the world around them.

In Reception, we lay the foundation for understanding Christianity and other world religions through engaging stories, discussions, and creative activities. We start by marvelling at creation, asking, "*Who made the wonderful world?*" and reflecting on the beauty of nature. As the year progresses, we celebrate the significance of Christmas and Easter, explore special places of worship, and uncover lessons from inspiring stories.

RE in Ruby Class nurtures respect for diversity and a sense of awe and wonder. Our lessons encourage children to share their thoughts, listen to others, and build meaningful connections between faith, community, and their daily lives.

By linking faith to our core values, we support our children in becoming compassionate, thoughtful, and respectful learners, well-prepared for their spiritual and moral development as part of a multicultural world. We are excited to guide your child in discovering how faith and values shape our lives and the world.

Christianity	Reception	Autumn 1	Creation – Who Made The Wonderful World? (6 sessions)
Christianity	Reception	Autumn 2 (Christmas)	Why is Christmas special for Christians?
Christianity	Reception	Spring 1	To follow
Christianity	Reception	Spring 2	What is so special about Easter?
World Faith	Reception	Summer 1	What makes a place special?
Christianity	Reception	Summer 2	What can we learn from stories?
